Bountiful Dreams

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Eyelids closed, she reflects and her dream comes alive with bird song and a bountiful harvest of grapes, corn and wild mushroom.

Her light freckled face and red hair is clad with a top hat and fox ears seem to be growing out of her head. Look close at the intricate rusty-colored motif of the hat and you might distinguish a strange face. There are other playful details for you to discover such as the tiny cat pendant hanging from her right ear.

This pattern is part of Barbara Ana's whimsical Dreaming Girl series, portraying amazing young women lost in their thoughts.
