**Through the Woods**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

Riding his reindeer through the woods, Santa is in a hurry. He wouldn't want to be late!

The pattern has a primitive feel, with the reindeer and trees pictured in a stylized way, and quaker like flower and motif filling the background. Colors are subtle, with a slightly faded quality. The raw linen fabric used for the background is lightly staid with walnut crystals.

The size of the pattern is perfect for making a Christmas ornament.
