**Witch Pumkin?**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Barbara Ana Designs

The lady is quite a character.

A thick eyebrow emphasizes the voluntary look, red hair flying at the back of her head.

Standing solidly on two legs, she scours the garden searching for a pumpkin.

You will recognize designer Barbara Ana's unique touch and subtle use of color. The witch is dressed in a gorgeous black dress with Quaker star patterns in different shades of gray. Around her various plant motifs are stitched in very soft tones of reddish brown and chartreuse.

This design can be turned into a cute little bag holding sweets for Halloween. Pair it with the [Witch Cat?](#) chart which is cross stitched in matching colors.
