COUNTED CROSS STITCH CHART BY BARBARA ANA DESIGNS

There's no doubt Halloween is designer Barbara Ana's favorite theme. She's back again with some wicked fun. This cross stitch pattern is designed to be personalized with your own choice of dates. There's also an alphabet so you can make your own label with initials. The chart includes instructions for mounting the label and cushion. There will be more designs coming soon in the same series. Look out for the Christmas theme!
