COUNTED CROSS STITCH CHART BY MARIA DIAZ

Mum or Mum-in-law, who will don the grandest headpiece?

A chart full of wedding cross stitch mini-motifs to pick and choose from for designing wedding keepsakes: wedding ring cushions, bespoke wedding cards, menus, wedding photo album covers and so much more.

Maria Diaz, an expert cross stitch designer, has a real talent for designing small motifs, squeezing an incredible amount of detail into a few stitches. The stitched effect is stunning.

The chart includes an alphabet and numbers so you can customize your project with the name of the bride and groom, the date and location of the wedding, a quote or short poem, or even a personal message.

Once you're done, keep the chart. It will be a great resource for many other weddings to come.
