Chrysanthemums (Korean style screen)

COUNTED CROSS STITCH CHART BY GRACEWOOD STITCHES

Kathy Bungard designer of Gracewood Stitches describes the pattern in her own words:

“Poppies” was my first Asian Screen themed design, Chrysanthemums is the second. Still fascinated by Korean Historical Dramas, the sets and costumes continue to inspire designs like this more intricately detailed screen graced by some floating mums. It looks lovely hung next to the Poppies pattern.

Creative Poppy says:

Designer Kathy Bungard captures the refinement and elegance of Korean art in this beautiful crossed stitched "screen" pattern. Once stitched, place it in a sober black laquer frame and pair it with the poppies screen. This will look gorgeous in a contemporary home.
