## Buttercup biscornu

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

Here's a new motif in Faby Reilly's exquisite collection of wildflowers. It adorns a biscornu which can be used as a paper weight, a pin-cushion or can be filled with pot pourri to serve as a pretty scented sachet.

**The range of embroidery floss colors are a lovely warm yellow and the heart of the flower is embellished with tiny golden seed beads.**

The instructions for mounting the biscornu come with the cross stitch chart.

There is a lovely felt flower used in place of a button in the middle of the biscornu. The instructions for making the flower are also included with the pattern however you may also substitute it with a button or bead of your choice.

A cross stitch pattern designed by Faby Reilly - La Fée Rie.
