Cornflower Biscornu

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

Artfully designed, with a subtle mix of delicate purple and blue, Faby Reilly's Cornflower pattern is an exceptional piece. The chart is pleasantly laid out in two different steps, one for cross stitch and then an extra layer of embellishments. Stitching involves a few specialty stitches, with instructions and photos included. It's a delight from start to finish.

Now for the extra surprise!

Once you've stitched your piece and mounted your biscornu, you can also (optional) customize the central button, so that it's color-coordinated with your stitches reproducing yet another tiny cornflower. The tutorial "how to create a cornflower button" comes free with your cross stitch chart and will automatically be added to your cart when you purchase the pattern.

If you like this pattern, don't miss Faby Reilly's other fabulous flowers designs such as her ["Poppy"](#) and ["Lavender"](#) series.
