Fun Children's Motifs

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Here is a chart full of small cross stitch motifs, both cheerful and colorful.

There is a witch riding on her broom, a rainbow linking two clouds, one raining on two children sheltered under an umbrella, and the other cloud watering a potted plant.

All the characters are going in the same direction: the cat in his racing car, the little girl making bubbles, the ladybug losing her balance, the raccoon racing away.

The chart can be crossed stitched whole. You can also use the different patterns to make small stitched items for children. Why not cross stitch some motifs on ready-to-stitch items like terry towels, bibs, stuffed toys, etc. You can also stitch on regular clothes, using waste canvas or soluble canvas (both removed once the stitching is complete).

These mini motifs will look stunning on jeans!
