Miss Sheep

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Miss sheep has put on her make up and has a determined look. She is wearing her best party gown, a red dress with embroidered motifs. Her hair is beautifully made into large big curls. Off she goes to the party!

The whole family seems to be looking on in surprise: father in the foreground, Mum looking out of the hut window, and hordes of young brothers and sisters watching on from the sides.

There is a lovely winter and Christmas feel to this design, with a dusting of snow on the trees, and red bauble motifs filling the background.

This cross stitch pattern by Ukrainian designer Kateryna (Stitchy princess) is part of a series of designs depicting elegantly dressed animals converging through the winter forest to attend a Christmas party. They include a **deer**, a **rabbit** and a **fox** and will form a romantic display in your home during the holiday season.
