The World of Hedgehogs

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Autumn is a perfect time for hedgehogs, when leaves fall, providing a colorful cover for foraging for food, and stick amusingly to their prickles. Mushroom crop up overnight, providing a fun playground for the younger ones. Squirrels criss cross their way as they search for acorns while three owls keep watch on the higher branches.

This is a delightful cross stitch pattern that comes in warm autumn colors. Kateryna's designs are an easy stitch and, while they will appeal to experts between larger projects, are also perfect if you are beginning to cross stitch.
