**Alphabet - Roses**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

**Pretty monograms to embroider, each letter entwined with a rosebud.**

Letters and flowers are entirely worked in whole cross stitch, in solid DMC tones. The designer plays with two golden tones to give the illusion of volume, as if the letters were gold and the light reflecting.

The piece is beautiful stitched as it is charted, as a complete alphabet. You can also extract letters individually for personalizing projects with initials. They will look pretty on household linen (Ready-to-stitch towels, pillows ....) but can also be used for making cards and other items for special events and weddings.

The chart comes with an extensive Cross stitch Guide detailing all stitches.
