CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Cross stitched in warm hues of yellow and red, this chart is full of tender motifs for celebrating baby.

You can stitch the full chart to celebrate a child's birthday. There is a chart for every number, each coupled with a cute little teddy bear, so you can customize your stitching for 1-year old, 2-year old, any birthday. You can add a name too using the alphabet that comes in different sizes.

The chart is also very useful for cross stitching baby items, such a series of bibs - maybe one for each day of the week?

Once you're done, save this design in your cross stitch library. It will surely become handy when another project comes along for stitching for a child.

The chart comes with an extensive Cross stitch Guide detailing all stitches including fractional stitches.
