CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Cross stitched in warm red tones tones, and perfectly symmetrical, with left and right side of the flower mirroring each other, this floral motif in Art nouveau style is inspired by the poppy flower.

It is worked in full cross stitch with simple continuous backstitch outlines, and can be stitched on a variety of backgrounds, natural, white or color.

Designed by Lesley Teare, the cross stitch pattern is part of a series of four charts that also include an Art Nouveau rose, poppy and lily. You could stitch them in pairs of all together in a square pattern that could be mounted as a cushion cover or the side pocket of a tote bag.

A tutorial is included with the chart for all stitches.
