CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lesley Teare Designs

Brought to you by Lesley Teare, this cute little cross stitch sampler is easy and relaxing to stitch, each motif being placed in a box. It a perfect project if you are being interrupted, or have little time to stitch in between other tasks, because you can complete one motif at a time.

The design can be stitched either on a black or white background fabric, resulting in a very different atmosphere. It can be stitched on its own, however it is also part of a pair and can be matched with the [Simple Garden sampler](#), in a mirror effect.

The Simple Country sampler features a landscape with a house in the sunlight, with beside an apple tree heavy with fruit. Bees buzz around the beehive, surrounded with summer flowers. A squirrel gathers hazelnuts, dragonflies and butterflies criss cross in every direction.

The pattern features full cross stitches only, with just a few details in backstitch for the bee antennas.

A tutorial is included with the chart for all stitches.
