CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Lilli Violette

Someone's been pretty busy baking in preparation For Christmas.

The biscuit box has been filled with fresh home-made goodies. All over the house, pretty ornaments are hanging with jolly gingerbread men, chocolate cookies, sugar-coated cherry muffins and yummy-looking cakes.

The pattern comes in the shape of a Christmas wreath, with a little girl in the center, decorating the tree. Jutting out of a pretty blue and white jug is a stick with a blackboard attached and the word: Noël.

Designer Lilli Violette has the knack for depicting the joyful anticipation of Christmas to come in colorful and detail-rich cross stitch designs, a real treat for stitchers as they work each of the delightful motifs and watch the pattern take shape on the fabric.
