Blackwork Lady
COUNTED CROSS STITCH CHART BY MARIA DIAZ

Strickingly elegant and feminine in her 1930's dress with a long row of beads, here's the Blackwork Lady designed by Maria Diaz, a remarkable play with outlines and texture.

The pattern combines backstitch, some cross stitch and some beads, all in matching color. The design is shown here stitched in a dark garnet color on a natural linen background but could naturally be stitched using any color and background fabric of your choice.

Home deco tip: This pattern would look beautiful in a bedroom, dressing room or powder room.
