Cherry Blossom

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Delicate white petals open into a pink heart with fine pistils.

There is lovely detail in the way these branches of blooming cherry trees are pictured. Designer Perrette Samouloff combines Cross stitch, Backstitch, some French knots and a couple of Three-quarter cross stitches, shaping the delicate flowers.

Birds fly in the background, children play, this is a beautiful spring scene.

The pattern can be stitched on either raw linen or purple fabric. It would look great on overdyed fabric with a mix of purple and lavender tones.
