Children's Christmas - 3 motifs

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

So cute to cross stitch, here are several matching pieces that are ideal for adding a little Christmas touch to your home. They can be mounted as ornaments (see photo) or stetched on small padded boards and displayed on the mantel piece or on shelves.

All designs show children preparing for Christmas, riding a horse driven sleigh, gathering holly and carrying flowers and gifts.

The color range of this series is quite remarkable, with a mix of coral reds and orange creating a very warm and soft range of color. Designer Perrette Samouloff is well known for her expert choice of color conveying a particular feel for each of her stitched pieces.
