8 Easter motifs (with alphabets)

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

This collection of card-shaped cross stitch patterns by Perrette Samouiloff includes:

- 4 lace-like green monochrome border motifs
- 4 more color patterns featuring a little girl carrying two large easter eggs, a boy with a bunch of flowers and two more motifs with rabbits, chicks and butterflies
- an alphabet and extra border design

Those patterns can be used for greetings cards or ornaments. There are plenty of different ways you can combine them. For instance, mount them all side by side accordion-style, like a little folding book, and place it on the mantelpiece. Or combine them in pairs as diptychs, or in threes as triptychs. Finish both ends with a ribbon for folding.
