CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Perrette Samouloff

Jazz music celebrated in cross stitch!

These jazz musicians look so alive that you can almost hear the music in full swing and the sounds of each instrument, trumpet, saxophone, cello, bugle and clarinet!

Working with only three color threads, designer Perrette Samouloff captures each musician's posture with wonderful accuracy, as well as the instruments down to the most intricate detail.

The musicians all wear matching suits with orange satin collars and cuffs adding to the festive feel.

The raoring twenties vintage feel is further reinforced by the letters JAZZ in period fonts (echoed in the background) as well as the decorative frame.

We recommend framing the stitched work in a lacquered black frame (photo).
