## Wandering Ducks - Design for Bath size towel

COUNTED CROSS STITCH CHART BY PERRETTE SAMOUILOFF

This pattern is designed for cross stitching on a Bath sized towel. It comes in different sizes (sold separately): Bath size towel, [Hand size towel](#) and [Guest size towel](#).

You can buy Ready-to-stitch towels and stitch in the special area designed for stitching (Aida-like weave). Check out [useful information](#) about DMC, Rico and Charles Craft Ready-to-stitch towels.

If you cannot find the size of towel you are looking for, you can stitch the pattern on a wide Aida band and machine sew it on a regular towel. The advantage of that method is that the back of your stitching will be hidden. You can also add washable trimmings (such as rick-rack) in colors coordinated to your stitching when you apply the stitched piece to the towel. It will hide your sewing and embellish your towel.
