CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samanthapurdyneedlecraft

The tulips have opened.

Spring is finally here.

The garden is even a bit dry, a little water won't hurt.

Oh, our neighbor has just opened her window.

Let's climb on the trunk to say hello.

She's such a nice lady. What a pleasure to have a little chat.

Simple life, simple joys, depicted in cross stitch by Samantha Purdy, such as having a nice chat with the neighbor while pottering about in the garden.
