Wheelbarrow

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Samanthapurdyneedlecraft

Now the vegetable have been harvested, I'm spreading the new compost into the soil. I can spot a number of worms. They had better hide before the blackbirds spot them.

Using this green wheelbarrow brings back memories - oh the fun we had when dad used to cart my sister and me around this garden.

Simple life, simple joys, such as enriching the vegetable patch with new compost, depicted in cross stitch by Samantha Purdy.
