Description:

My sewing basket

BLACKWORK CHART DESIGNED BY TAM'S CREATIONS

A fun pattern for any stitcher: contains lots of tiny cute details of a stitcher's treasures including of course the basket in which projects are carried but also, the floss skeins, scissors , yarn balls, tape measures, pin cushions, crochet hooks and what have you...

Fun to stitch just for the pleasure of it. But will also make a perfect gift for anyone who stitches, sews, knits, does quilting or any other threadcrafts!

The stitched model was made using 6 solid colors of floss which gives it a playful, colorful effect. You could also give it a more subdued, elegant tone stitching it in monochrome on a raw linen background for instance.

A design by Tam's Creations.
