Music stand Organizer

COUNTED CROSS STITCH CHART BY TAM'S CREATIONS

A clever idea to stitch for a musican and hang on a music stand, by Tam's Creations. This however is quite a versatile project and can be used for any activity that requires some organisation of tools and projects. You can hang it on a wall, the side of a shelf, the back of a door... The cross stitching is very decorative with a mix of DMC and ThreadworX threads, as well as metallic highlights. The chart includes detailed instructions for mounting the organiser.
