London

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

London's landmarks on the horizon, the looming London Eye, Big Ben counting the strikes of the hours, Tower bridge linking the heart of the City with the South bank, over the river Thames. Finally the beloved London icons, red double deckers and Black cabs driving past. There is so much squeezed into this delightful cross stitch pattern.

London is part of a series a cute little miniatures representing cityscapes of towns the world over. Take your pick of favorite cities and display them side by side.
