CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

A cute cross stitch miniature that manages to cram so much of the city of Vancouver: the snow-covered North Shore Mountains in the distance, the Burrard Bridge, the busy harbor with sailing boats mooring, the Vancouver skyline and lookout, BC Place Stadium with the Sky Train cruising through the town.

Cheryl, Tiny modernist's designer says "This one makes me want to climb Grouse mountain on a fresh morning... then buy some veggies at Granville Island, walk around South Granville, eat at Vj's, and have a Bellini at Cactus Club. I love Vancouver :)"

***Vancouver* is part of a series a cute little miniatures representing cityscapes of towns the world over. Take your pick of favorite cities and display them side by side.**
